Important Information

This flyer only provides an indication of interest rates offered and does not constitute the product's full terms and conditions. Full details of terms and conditions, fees and charges are set out in the relevant Product Schedules, available at therock.com.au, by calling us on 1800 806 645 or at any branch.

All interest rates are quoted per annum and are subject to change. Interest is calculated and accrued on a daily basis.

Where a tiered interest rate

is offered on a Savings or Transaction account, interest is calculated on the credit balance of the account with the highest rate paid on the whole balance, unless otherwise indicated.

[#] Early withdrawals from fixed term deposits will result in interest of 1% p.a. being earned on those funds being withdrawn. This interest will be applied from the beginning of the term to the time monies are withdrawn. The balance of monies remaining in the term deposit for the full period will continue to earn the agreed rate of interest. A break fee will also apply to early withdrawal of term deposit funds.

^{**} \$2,000 minimum balance required to qualify for interest. Interest paid on whole balance.

[^] For these terms, interest can be paid other than on maturity. Where this occurs the interest rate quoted will be reduced by 0.20%

^{^^} The interest rate paid on each "Balance" tier applies to the balance of each day's final daily closing balance which is in that tier.
