Important Information

This flyer only provides an indication of interest rates offered and does not constitute the product's full terms and conditions. Full details of terms and conditions, fees and charges are set out in the relevant Product Schedules, available at therock.com.au, by calling us on 1800 806 645 or at any branch.

All interest rates are quoted per annum and are subject to change. Interest is calculated and accrued on a daily basis. Where a tiered interest rate is offered on a Savings or Transaction account, interest is calculated on the credit balance of the account with the highest rate paid on the whole balance, unless otherwise indicated.

[#] Early redemption: the interest paid will be calculated at the lowest Rock at call savings or transaction account interest rate prevailing at the time of redemption. In the event of early withdrawal due to death of the customer, interest is paid at the full interest rate. Early withdrawal termination values may be obtained by contacting us. With Income Term Deposit Accounts, in the event of insufficient interest being accrued at the time of redemption interest penalty, the deposit sum invested may be reduced by this figure at redemption.

^{**} \$2,000 minimum balance required to qualify for interest. Interest paid on whole balance.

[^] For these terms, interest can be paid other than on maturity. Where this occurs the interest rate quoted will be reduced by 0.20%

^{^^} The interest rate paid on each "Balance" tier applies to the balance of each day's final daily closing balance which is in that tier.
